

Participation Details and Contact Information

About Participating...

- Participants will be asked to take part in:
 - Two one-on-one interviews lasting between thirty minutes and an hour and a half.
 - A short survey, to be completed at the first interview, and taking no longer than twenty minutes.
 - A group interview/discussion, lasting between forty-five minute and an hour and a half, and consisting of no more than five people.

Participants Rights

- Participation is not mandatory, and all participants may leave the study at any time.
- One-on-one interview sessions will be recorded; however the participant will have full control over the recording device and may start or stop the recording at any time.

Confidentiality and Privacy

- -Participant's confidentiality is of the highest concern and at no time will any interview discussions or confidential information be shared with anyone other than my faculty advisor for the project.
- -In order to help protect confidentiality participants will be assigned a pseudonym that they will be addressed by in interviews, interview transcriptions, my final paper, and presentation of the project. The project will be presented at the Warren Wilson Capstone Carnival, and my final paper will be upload on to the Warren Wilson webpage.

Contact Information

- Please contact me if your interested in participating or if you have any questions about the project.
